BIGGEST HOLIDAY WORK EVER EXPECTED BY U. S.

Washington, D. C., Dec. 18.—The postoffice department has already begun to urge the early mailing and sending of holiday parcels. It says that the greatest rush of business of the postal service has ever experienced will occur this year, on account of the parcel post being in vogue, and in order for the department to cope successfully with this enormous amount of mail, it will be necessary

for shippers to be expeditious in sending their parcels.

In order to facilitate the handling of mail during the Christmas holidays, postmasters at first, second and third class postoffices have been authorized at their option to precancel and affix stamps for the payment of postage on matter of the second, third and fourth class. Precanceled postage stamps are those canceled before they are affixed to mail, the names of the mailing postoffice being printed on each stamp between two parallel lines. Under such authorization, when a parcel is presented for mailing, the postal clerk receiving, after collecting the required postage may endorse on the parcel the amount of the postage, which later will be affixed by an employee of the postoffice. This will save the time of patrons waiting in line at the stamp window and will enable postmasters to handle parcels with greater dispatch. Clerks will affix the stamps instead of requiring the customer to wait in line for that purpose.

The department announces that numerous inquiries are being made by Canada concerning the operation of the parcel post which indicates the possibility of the establishment of such a system by the Canadian government.

Turning the incumbency of Postmaster General Hitchcock, red was adopted as the standard color of the postal service and vehicles in the postal service are now known by this color. But Postmaster General Burleson has just ordered that hereafter the body of the conveyance shall be a medium coach green, running gear a cardinal red and black striping. Numerous complaints have been received from seacoast, office and rocky mountain sections that wagons painted a vermilion red do not hold their color. The bureau of chemists declares that this color is the least durable of all and that the new color adopted is one of the most lasting.

KNOCKDOWN BOATS FOR CHINESE SERVICE

San Francisco, Cal., Dec. 18.—Designed for service in the shallow waters of China and the Philippines, the "knockdown" gunboats "Monocacy" and "Palos" are stowed away in the hold of the steamer Mongolia, which sailed today for the Orient.

The two little fighting crafts were built at Mare Island navy yard and are complete as erected, with the exception of the guns, which will be placed at Shanghai. A special armor to protect the crews from rifle fire covers the exposed parts. Each boat will carry a crew of one hundred and forty men and two officers.

DEERING FORTUNE LEFT TO FAMILY

Chicago, Ill., Dec. 18.—The entire estate of William Deering, the harvester manufacturer, estimated at from \$12,000,000 to \$15,000,000, is left to his immediate family, according to the terms of the will, which will be offered for probate today.

Contrary to general expectations, none of the estate was left to charity. Mr. Deering states in his will he considered he had done enough for charity during his lifetime. The principal beneficiary during his lifetime was Northwestern university at Evanston, the total being about one million dollars. The aged manufacturer died at his winter home at Cocoanut Grove, Fla., on December 9, and was buried from his home at Evanston last Sunday.

CLEVELAND MAY CALL A GENERAL STRIKE

Cleveland, O., Dec. 18.—The grievance committee of the Cleveland Federation of Labor, empowered last night by the central labor body to call a general strike if necessary, met today to consider the advisability of ordering all union employees of Cleveland hotels on strike in sympathy with the cooks and waiters now out.

A reply was expected by the Cleveland labor federation today from the state industrial commission which was asked last night to investigate hundreds of white hotels here work-

ing on Sunday.

REWARD IS OFFERED FOR TRIPLETS BORN

Santa Ana, Cal., Dec. 18.—The county board of supervisors is on official record today with a standing offer of \$100 reward for each set of triplets born in Orange county.

The first reward has been given to Mrs. Otto H. Summers of the San Joaquin ranch, who recently presented her husband with three little Summers at once.

The board of supervisors formally voted Mrs. Summers \$100, and on motion of Supervisor Leck the board decided to make a standing reward for all triplets.

STREET DANCING IN SAN FRANCISCO

San Francisco, Dec. 18.—Now comes the street dance in San Francisco. Sponsored by the city the first of a series of public street dances will be held tonight in one of the outlying residence districts. The city will furnish music, lights and police the latter having been instructed to see that proper decorum is observed. The dance program, which will begin at 8 o'clock, and end at 11, includes the tango and the "Boston dip."

The second public street dance will be held next Saturday night in another section of the city, and the third of the series on New Year's eve in the downtown district, when the public will dance the New Year in.

The series will be tried as an experiment, the idea being to establish street dancing as a substitute for the public dance halls which were closed by the police commission three months ago.

The board of supervisors originated the plan.
